Kachemak Bay Flying Service

About Us ...

KBFS is an FAA Part 135 (Charter), 145 (Avionics Repair Station), 133 (External Loads) and 137 (Agricultural Spray) full-service aviation provider with operations in **Phoenix, AZ; Temple, TX; Crestview, FL; and Huntsville, AL.** KBFS currently conducts Part 61 Pilot training and has applied for a Part 141 flight training certificate.

KBFS began helicopter and air charter services in 2007 when System Studies and Simulation, Inc. (**S³**, Inc.) purchased the certificate from a well known fixed-wing operation in Alaska.

The original charter service had been operating continuously in Alaska since 1967.
